**Notes:** Lot 13 is an impressive bull. He is CAB qualified, combines a classic deep, wide and straight-backed phenotype with 1 and 2 %tile WW and YW EPDs respectively. He is docile, has good maternal traits and excellent feet. On top of that, his dam is a daughter of Sitz Stellar 726D and HA Everlady 7850, a recent addition to our donor pool who is a daughter of HA Ever Lady 1575, a jointly owned donor and one of the most prolific producers of high value bulls and females at Hinman Angus.
